

## **International Factory Warranty**

All Romet Battery Products are warranted for a period of **six (6) months** against any failure. The patient must NOT try to do any type of self-repair or the warranty will be voided. For repair the unit must either be returned to the distributor from whom the unit was purchased or email to [repair@romet.us](mailto:repair@romet.us). for further directions.

**Provide your complete name/address / telephone # with country code**

- A. Your complete email address
- B. Where the unit was purchased
- C. From whom was the unit purchased.
- D. Date of purchase.

If the warranty has expired we will advise by email the total Cost involved in the repairing of your unit. If units are returned to regional distributors; directions for repair will be given directly to the distributor as to where /how to handle your unit needing repair.

Thank you,

Complete Mailing address for repairs:
